

**SOUSA HURT, CANCELS LEXINGTON ENGAGEMENT**

Sousa's Band, which was to have given a concert at the Woodland auditorium, October 25, will not come to Lexington until a later date on account of the accident in which John Phillip Sousa was injured recently.

Miss Anna Chandler Goff, manager of the Artist Concert Series, received a telegram from Harry Askin, manager of the band, saying that physicians have decided that the March King cannot resume his tour for thirty days. Miss Goff has wired Mr. Askin to ask for the earliest available date for Lexington.

The most remarkable tour ever launched by Sousa and his band was interrupted and delayed by the accident in which the leader was thrown from his horse at Philadelphia. On the advice of his physicians Sousa had agreed to "lay off" until Oct. 15, when the band was expected to resume its tour with a concert in Cleveland. The "enforced" vacation

will give the big organization of nearly one hundred musicians a holiday during which they will draw full pay, as Mr. Sousa feels that the members of his band should suffer no loss through an accident for which they are in no way to blame.

**BOURBON'S GASOLINE TAX**

In the report recently submitted to the Auditor's office at Frankfort, showing the amounts of gasoline taxes collected from Kentucky counties, Bourbon county is credited with a total of \$8,072.39 from June 15, 1920 to July 1, 1921. The money collected goes into the State's good roads fund. Jefferson county heads the list with \$90,328.81, and Fayette county second, with \$24,942.15.

The soldiers may never get the bonus, but they have at least secured the right to wear the Sam Brown belt.
